

CRUSH chronic disease in the THRIVE Academy!

X

[THRIVE Academy Plans >>](#)

medical professionals couldn't help him reverse a year of this one in a million health transformation and the knowledge acquired in the process, he is now happier and healthier than he has ever been and now educates, coaches, and inspires thousands of others to transform their health through a natural and holistic approach. To date, he has helped his THRIVE Academy participants heal over 20 different chronic disease conditions, primarily related to digestive and autoimmune concerns.

General and Affiliate Disclosure

The views and services offered by Healing the Body (healingthebody.ca) are not intended to be a substitute for professional medical service, but as an alternative for those who are seeking solutions for better health. We do not claim to diagnose, treat, prevent, or cure any disease, but simply help you make physical and mental changes in your own body in order to help your body heal itself. This site also contains affiliate links to products or services we use, enjoy, or recommend. By making purchases through any of these product links, you are supporting the companies or products that we believe are truly making a difference in people's quality of life.
