Subject: Rezoning Application - Letter of Intent
Portion of Parcel 0191 039 owned by Larry Wisenbaker

Hello:

My request for rezoning is attached. The application involves two proposed parcels containing 3.190 and 3.170 acres. The proposed parcels are currently part of larger tract containing 167.40 acres of which I am the owner.

The proposed parcels will be used by my children for homesites - one home will be built on each parcel for a total of two homes within the rezoned area.

Thank you
