

Section 218-13

(SS) Mini-warehouses and Self-storage Units

- (1) Buildings shall be screened from view from the right-of-way using the screening and buffering requirements listed in Chapter 328
- (2) Storage spaces shall not be used for manufacturing, retail or wholesale selling, office, other business or service use, or human habitation.
- (3) Access shall be only to streets classified as arterial or collector by the City of Valdosta.
- (4) Outdoor storage is permitted in accordance with Chapter 218-13 (XX)
- (5) No outdoor speakers or amplification shall be permitted.
- (6) Outdoor lighting shall be directed downward and away from adjacent property.
- (7) Fences using razor or barbed wire shall not be visible from a public right-of-way.
- (8) Exterior building materials shall be regulated by Section 214-7
