

STAFF REPORT

This property fronts US Highway 41, a major thoroughfare highway. Even though the current Comprehensive Plan shows this property and surrounding property as residential use, commercial establishments are within and adjacent to this property. The property located north has also been rezoned to C-C Community Commercial. An adjoining parcel to the west is zoned C-H, Highway Commercial. There is single-family adjacent to the east, but since the general area already has commercial abutting Highway 41. There is also a railroad tract south and adjacent to this property.

A landscape buffer and oblique fence will be installed adjacent to the residential area.
