

Commercial, Office, and Institutional Zoning Districts

The following commercial, office, and institutional **zoning districts** are established:

- A. OI, Office Institutional. This **district** is intended to allow **development** of business and professional activities, medical and dental facilities, and the **development** and maintenance of publicly owned lands and **structures**, parks and recreation areas, public schools, and **buildings used** principally for government functions. Limited retail **uses** normally associated with office or institutional **uses**, **accessory structures**, and essential public services are also permissible.
- B. C-C, Crossroads Commercial. This **district** is intended to provide locations for limited retail and service **uses** to satisfy the common and frequent needs of residents of nearby **residential** and agricultural areas. It is further the intent of this **district** to encourage such **uses** to be a part of a crossroads commercial convenience center.
- C. C-G, General Commercial. This **district** is intended to provide locations for a wide variety of retail and service **uses** to satisfy the common and frequent needs of residents in large sections of the County and of the traveling public. It is the intent of this **district** to encourage businesses to be part of planned commercial centers, neighborhood **shopping centers**, or community **shopping centers**.
- D. C-H, Highway Commercial. This **district** is intended to provide areas for commercial activities which provide products and services that generally require locations with the highest level of access to major collector roads, arterial highways, and regional transportation systems.

Industrial and Intensive Zoning Districts

The following industrial **zoning districts** are established:

- A. M-1, Light Manufacturing. This **district** provides for light industrial **uses** which do not create excessive noise, odor, smoke, or dust and do not produce, store, or handle hazardous wastes. Permissible **uses** include activities involved in warehousing, assembly, storage, and commercial services.
- B. M-2, Heavy Manufacturing. This **district** provides for the manufacturing, assembling, storage, distribution, and sales activities that are generally high intensity. For those industries which may have negative impacts or nuisance factors associated with their **use**, supplemental standards shall apply within the **district**.
- C. M-3, High Intensity Industrial. This **district** provides for industrial **uses** that are involved in high intensity manufacturing and processing of materials which create excessive noise, odor, smoke, or dust. Special
