Lowndes County Board/Agency Appointee Information Sheet - Submission #64

Date Submitted: 7/23/2019

Date:
7/23/2019

Board/Agency Applying For:
Greater Lowndes Planning Commission

Last Name
Inman

First Name
Bryan "Matthew"

Street Address

City/State/Zip
Valdosta/Georgia/31605

Phone Number

Email Address

Occupation
Civil Engineer

Professional Experience
I am a registered civil engineer with over 19 years experience including a diverse employment background with more than 15 years as a consulting engineer. I also served as the County Engineer and Planning Director for Lee County, GA for a number of years as well as other smaller rural counties as a consultant. I have designed multiple projects for Counties throughout south Georgia where I was hired by the County as well as private development on projects throughout the southeast. I have presented many cases in front of multiple zoning boards for projects by private clients and have also served on the zoning board in my role at Lee County where I presented multiple cases for the board in my role as County Engineer/Planning Director. My diverse background provides a unique perspective of the balance required between commercial and community interests that my must be weighed during the rezoning and planning process.

Knowledge & Skills
I have gained a unique perspective from working both in the private and public sector which allows me to see both sides of the issue from both the regulatory side as well as the developer standpoint. I believe this perspective and my years of knowledge from working in the civil engineering profession would enable me to be an asset to the Greater Lowndes Planning Commission.

What knowledge or skills do you possess that would contribute to the Board/Agency to which you are requesting to be appointed?
