

Knowledge & Skills

While I have no direct experience in real estate sales, I am able to learn and know that training for these positions is available and in fact required.

I understand how government works and have been actively participating since I moved to this area in 2007.

I think that it is important to have fresh perspective on each of the boards and authorities and that is why I chose to step down from the Zoning Board of Appeals this year at the end of my term.

I know that I would do my best to make sure that the Assessors Board reviews all assessments with alacrity and integrity.

What knowledge or skills do you possess that would contribute to the Board/Agency to which you are requesting to be appointed?

Please list the Board/Agency that you have been or are currently a member of:

I have previously served twelve years on the Zoning Board of Appeals.
I attended most county commission meetings from 2010 - 2019.
