developers have met with the neighbors. Mr. Dillard stated below are the proposed conditions for your consideration:

1. The proposed subdivision shall be developed at no greater density than as depicted on the site plan dated 1/22/2021. Any amendments or modifications to the site plan shall adhere to the processes as described in Chapter 10 of the ULDC.
2. All lots shall front interior roads.
3. The minimum heated square footage for homes shall be as follows:
 - a. R-10 lots – 2,000 sf
 - b. R-15 lots – 2,200 sf
 - c. R-21 lots – 2,400 sf

Mr. Dillard stated a condition on the site development plan was added to include the lots abutting on Clyattstone Road or within 1,000 feet of Clyattstone Road on Simpson Lane shall be a minimum of .5 acre in size. County Manager, Paige Dukes, stated she spoke with the County Attorney, and there are two site plans before the commission and if the commission should choose to go with planned development (P-D), a P-D would need to be readvertised in accordance with ULDC. Additionally, Mrs. Dukes stated if the commission chose to go with R-10 what is depicted as a recreation area would need to be retitled a picnic area. County Attorney, Walter Elliott, recommended to ask Mr. Matt Phelps to revise this document before tomorrow night's meeting to reference an updated document. Chairman Slaughter asked Mr. Dillard to contact Mr. Phelps for the revision.

FOR CONSIDERATION

Agreement with SGRC to Develop 2021 Lowndes County Comprehensive Plan Update, Planning and Zoning Director, J.D. Dillard, presented the item. Mr. Dillard stated the purpose of this agreement is to ensure the 2021 Comprehensive Plan update will be in compliance. Ms. Black stated the rate is to be set at two percent above prime, adding the 2021 rate is calculated at 5.25%. Ms. Black stated the rate for last year was 6.75%.

FY 2020 Hazard Mitigation Assistance Grant Application, EMA Director, Ashley Tye, presented the item. Mr. Tye stated staff has been working with the Georgia Emergency Management Agency (GEMA) in developing the pre-application process for hazard mitigation assistance and the application was to install emergency backup generators for nine (9) fire stations and sixteen (16) sewer lift station locations. Since the time this agenda item was submitted, GEMA has completed a cost benefit analysis, and recommended for our application to go to FEMA and to meet the cost benefit, only six sewer lift stations met the requirements. Those six sewer lift stations would cost \$264,350.00, to install backup generators, if approved FEMA would provide \$198,262.50, and the local match would be \$66,087.50. Mr. Tye stated staff is requesting the Board's authorization to continue to submit the application to FEMA for the Hazard Mitigation Assistance Grant program. Vice Chairman Griner asked if the amount is \$66,087.50, instead of \$280,193.75, Mr. Tye answered yes. Chairman Slaughter asked that this agenda item be amended to reflect the changes.

FY 2020 Juvenile Justice Delinquency Prevention Grant, EMA Director, Ashley Tye, presented the grant. Mr. Tye stated this grant will award a maximum of \$20,000.00, to six communities in Georgia to implement the Strengthening Families Program. This grant is designed to address those youth who may be first time offenders, prior to entering the system. Commissioner Evans thanked Mr. Tye for the work he has done. Mrs. Dukes stated at the direction of Commissioner Evans, she and Mr. Tye continue to work with Judges Council and Tunison on how to maximize these grant funds. Mrs. Dukes stated additional discussion will take place at the commission retreat regarding statistics and maximizing these grant funds and local programs that might offset those funds.

Resolution Authorizing the Tax Commissioner to Receive Checks, Money Orders, Debit Cards & Credit Cards for Payment of Taxes and License Fees, County Manager, Paige Dukes, presented the item stating Tax Commissioner Cain has requested this resolution due to his re-election into office. Mrs. Dukes stated this will protect Tax Commissioner Cain from any fraudulent charges personally, while still being

able to collect funds. Chairman Slaughter reminded the Commissioners this is an authorization to be done with each new term of the Tax Commissioner.

Cybersecurity Maturity Tier 1, IT Director, Aaron Kostyu, presented the agreement. Mr. Kostyu stated Tyler's Security Division can develop and implement the framework for combating security breaches within Lowndes County. Mr. Kostyu additionally stated this program would help build policy, assess vulnerabilities, testing and response development. Commissioner Marshall asked regarding cybersecurity insurance among counties, Mrs. Dukes stated a provider has been engaged and the Lowndes County Human Resources Department is in the process of getting a quote. Vice Chairman Griner asked if this item was out for bid, Mr. Kostyu responded no.
