COUNTY ACTION REQUESTED ON: Special Assessment Rate for 2022

HISTORY, FACTS AND ISSUES: The Lowndes County Board of Commissioners is required to set the interest rate for Special Assessments at the beginning of each calendar year. This rate is for all paving and utility assessments that are not paid off within the initial 90-day phase. Unpaid assessments revert to installment agreements which are to be paid over a period of up to ten years. The rate is based on the current prime rate plus two (2) percent. The prime rate is the interest rate charged by banks when they lend money to other banks, or to their "prime" customers. Most American banks and credit unions use this index as the foundation for their loan products. The current prime rate is 3.25%; therefore, the rate for special assessments should be set at 5.25% for 2022. The rate for 2021 was set at 5.25%.
