COUNTY ACTION REQUESTED ON: VOCA/CESF Funded VWAP Continuation Grant

HISTORY, FACTS AND ISSUES: The District Attorney's Office of the Southern Circuit has been a recipient of federal Victims of Crime Act (VOCA) funds since 1997. The VOCA funds, combined with the 5% victim fees, provide the financial support for the Victim Services provided by the DA to all five counties. The grant is funneled through Lowndes County, rather than all five counties, for simplification and efficiency purposes. This grant, along with the 5% funds, allow the DA to provide victim services utilizing funds paid by federal and state defendants and not taxpayers. Submission of the application is due in the PAC Office by January 31, 2022. We also request, for efficiency, that the Commission execute a letter allowing the grant funds to be deposited directly to the DA's Office, rather than the funds being deposited to Lowndes County and then a check sent to the DA and also execute a letter authorizing the District Attorney to sign any and all future paperwork pertaining to this VOCA/CESF Continuation Grant. (Sample Letters Attached).

COUNTY ACTION REQUESTED ON: Special Assessment Rate for 2022

HISTORY, FACTS AND ISSUES: The Lowndes County Board of Commissioners is required to set the interest rate for Special Assessments at the beginning of each calendar year. This rate is for all paving and utility assessments that are not paid off within the initial 90-day phase. Unpaid assessments revert to installment agreements which are to be paid over a period of up to ten years. The rate is based on the current prime rate plus two (2) percent. The prime rate is the interest rate charged by banks when they lend money to other banks, or to their "prime" customers. Most American banks and credit unions use this index as the foundation for their loan products. The current prime rate is 3.25%; therefore, the rate for special assessments should be set at 5.25% for 2022. The rate for 2021 was set at 5.25%.

OPTIONS: 1. Approval of the Special Assessment Rate at 5.25% for 2022

COUNTY ACTION REQUESTED ON: GDOT Safety Action Program Loch Laurel Road Project

HISTORY, FACTS AND ISSUES: The Georgia Department of Transportation (GDOT) Traffic Management Center Office of Traffic Operations has identified Loch Laurel Road for a possible 2024 Off System Safety Project. The project will be 100% Federally Funded and the plans will be prepared and led by GDOT. The project will begin at SR 31 and end at SR 376. The project includes audible centerline striping and audible edgeline striping. Lowndes County already has audible edgeline striping, so new edgeline striping will be substituted for that item. The County will be responsible for clipping the shoulders ahead of the striping crew. If Lowndes County is interested in participating in this 100% Federally Funded project, the Roadway Project Summary report along with a cover letter signed by the Chairman accepting the project will need to be turned into GDOT by February 4, 2022.

OPTIONS: 1. Approve and authorize the chairman to sign the cover letter accepting the project.

Re: 2024 Off System Safety Project

Mr. Bradford,

We received your email regarding the 2024 Off System Safety Project for Loch Laurel Road. The project is for placing audible edge line and audible center line striping on 6.43 miles of Loch Laurel Road from SR 376 to SR 31. Lowndes County had a project in 2016 that consisted of widening, resurfacing and the installation of ground in rumble strips so the edge line audible striping would not be necessary. However, instead of the audible edge line striping, we would like to substitute new edge line striping for the audible striping. We understand that this project is 100% federally funded and will be let by GDOT and the only responsibility Lowndes County will have in the project is to clip the shoulders ahead of the striping crew. If you have any questions or need any further information, please feel free to contact me.

Respectfully Submitted,

Bill Slaughter
Chairman

COUNTY ACTION REQUESTED ON: FEMA Grant- SAFER (Staffing For Adequate and Emergency Response)

HISTORY, FACTS AND ISSUES: Lowndes County Fire Rescue is requesting approval to apply for the Federal Emergency Management Agency (FEMA) Staffing for Adequate Fire and Emergency Response (SAFER) Grant for nine (9) firefighters. The purpose of the SAFER Grant Program is to provide funding directly to fire departments and volunteer firefighter interest organizations to assist with increasing the number of firefighters to help communities meet industry minimum standards, to attain 24-hour staffing to provide adequate protection from fire and fire-related hazards and to fulfill traditional missions of fire departments.

This grant is very competitive, with priority given to those departments that utilize backfill to meet NFPA 1710 standard. This grant requires no matching funds, however, it provides funding for salary and fringe benefits only. The cost of other items such as, entry physical, uniforms, safety equipment, etc. would be the responsibility of Lowndes County. The total for the grant will be \$1,653,413.31.

OPTIONS: 1. Authorize staff to submit FY 2023 SAFER Grant application for nine full time firefighter positions
