

- significant amount of defective, neglected, or delayed work by Contractor, (5) acceleration of the progress schedule involving services beyond normal working hours, or (6) default by Contractor.
- m. Reviewing Shop Drawings more than two (2) times as a result of repeated inadequate submissions by Contractor. In such an event, the Engineer shall prepare a Change Order for the Client that will deduct the cost of these Additional Services from the Client's contract with the Contractor.
 - n. Geotechnical engineering and materials testing during construction. The Client should contract directly with a geotechnical engineer for geotechnical consulting services, if needed.
 - o. Archeological and Historical Preservation consulting;
 - p. Delineating wetlands or flood plain determinations.
 - q. U.S. Army Corps of Engineering Permitting;
 - r. Providing topographic surveys or construction surveys and/or staking to enable Contractor to perform its work not specifically detailed in the Basic Services; and, and any type of property or boundary surveys or easements or related engineering or surveying services needed for the transfer of interests in real property; and providing other special field surveys not specifically detailed in the Basic Services.
 - s. Assistance with funding alternative including, but not limited to, loan/funding applications, grant writing, engineering reports, rates studies, etc. unless specifically included in the Basic Services;
 - t. Environmental Surveys including, but not limited to, wetlands, endangered species, cultural resources, historic preservation resources or special sub-consultants for permits;
 - u. Preparing for and participating in public meetings and/or public hearings unless specifically included in the Basic Services;
 - v. Other services performed or furnished by Engineer not otherwise detailed or provided for in this Agreement.
 - w. All building and permit fees and building inspection fees

Hourly Fee Schedule

Hourly rates used for Basic and/or Additional Services shall be determined by multiplying individual hourly rates of each class of employee by the number of hours spent performing the service.
