			I am against this development being built in this vicinity of two schools. The	
			potential for future trouble to the residents in the local area is very evident.	
			Although I support such efforts for those who have managed to make it to this	1
			point in their life's, I do not believe any facility which is unregistered, unregulated	
			and especially unsupervised will ever be to any advantage for those involved	
			except for those who will be reaping the monetary benefits of such. There are
