Toni Tompkins		tit82.tt@gmail.com	This is too close to our schools. This makes no sense at all and is not acceptable. There is no reason these guys can't be around children and this shouldn't be allowed.	6/1/2022

Robert H Langdale	5470 Old Naylor Road Naylor, GA 31641	rhlangdale@bellsouth.net	I support the petition for denial of the reasoning request. This facility has the potential to lower the quality of life and to diminish property values for all those near this location.	6/1/2022

Adleee Howell	3146 Howell Road Lake Park, GA 31606	adleechl@gmail.com	I disagree, seeing as how it is near a church and schools and I have grandchildren in this community, I want them to grow up safe.	6/1/2022

Kirsten Millsap		kbrmillsap@outlook.com	I live in the area with my entire family and this compound would touch our property. It is something we feel strongly against and do not want this plan to take place	6/1/2022
Sheree Lark	2765 New Statenville Hwy Valdosta, GA 31606	larksc2193@gmail.com	I am against this halfway house off Howell! I have family members, friends and loved ones who live close to this address. A halfway house belongs somewhere else like in an area where there's no schools churches or residential homes! If they are going to provide them homes then they should provide an area where there is nothing around and they should also provide shipments of food and things they need for growing their own vegetables. If they have to garden their own vegetables then their hands and minds will be busy.	6/1/2022
