Retired Architect

Professional Experience

34 years as Chief of Design & Construction, Civil Engineer Squadron Moody Air Force Base. Three years private practice as owner of a design build company. Worked as an Architect with TMA Architects International (Valdosta GA)

Knowledge & Skills

I'm a licensed architect with more than 40 years of Construction, Master Planning, I have knowledge of the process and procedures of the Civil Engineer Squadron of Moody AFB. I was responsible for all design & construction at Moody as Chief of Design & Construction. Moody averaged \$35M annually in construction and repairs. Currently Valdosta Lowndes County Airport Authority is in the middle of 2 major building projects, a Control Tower and a new Terminal Building. I chair the building committee for both projects. The Control Tower design is nearly complete however we are in the early stages of design for the Terminal Building. We are also beginning a study to re-evaluate the current Airport Building and what we should plan for the next 20 years. I feel I have the skill sets and talents to help the Authority make decisions that will impact the Airport's Architectural style and functionality for decades to come.

What knowledge or skills do you possess that would contribute to the Board/Agency to which you are requesting to be appointed?

Please list the Board/Agency that you have been or are currently a member of:

I was on the Historical Preservation Commission during its early years, I was nominated and selected to join the Greater Lowndes Planning Commission. I left the GLPC and joined the Southern Georgia Regional Commission Council which I'm currently a member.

Extra Activities & Community Organizations

I'm on the Board of Directors at Southeastern Federal Credit Union, member of Alpha Phi Alpha Fraternity Inc., a member of the National Active & Retired Federal Employees Association

Please list any extracurricular activities and/or community organizations you are affiliated with.

COUNTY ACTION REQUESTED ON: REZ-2023-07 Project Viking, ~69 acres, Hunt Road, M-2 & CON to M-2 & CON, City Utilities

HISTORY, FACTS AND ISSUES: This case represents a request to rezone approximately 4.73 acres from its current CON (Conservation) zoning district to M-2 (Heavy Manufacturing) zoning based upon current field data that delineates the actual wetland boundaries.

The subject property is accessed off W Hunt Road, a local County Road created as part of the Perimeter West Industrial Park concept, sitting within the Urban Service Area and Industrial Activity Center character area, and proposed to be served by the City of Valdosta Utilities.

Per the applicant's letter, "the intent of the current zoning map is for the wetland area to be in the CON zoning designation. The zoning map was based off approximate NWI wetland maps. A wetland delineation has been performed by a professional geologist... [and we] request the CON zoning line to be moved to the delineated wetland line."

The TRC reviewed the accompanying exhibit and had no objections, while also finding the request consistent with the Comprehensive Plan and existing land use. The Planning Commission considered the request at their May meeting and recommends Approval (5-0)

RE: Re-Zoning Request for Hunt Road Property

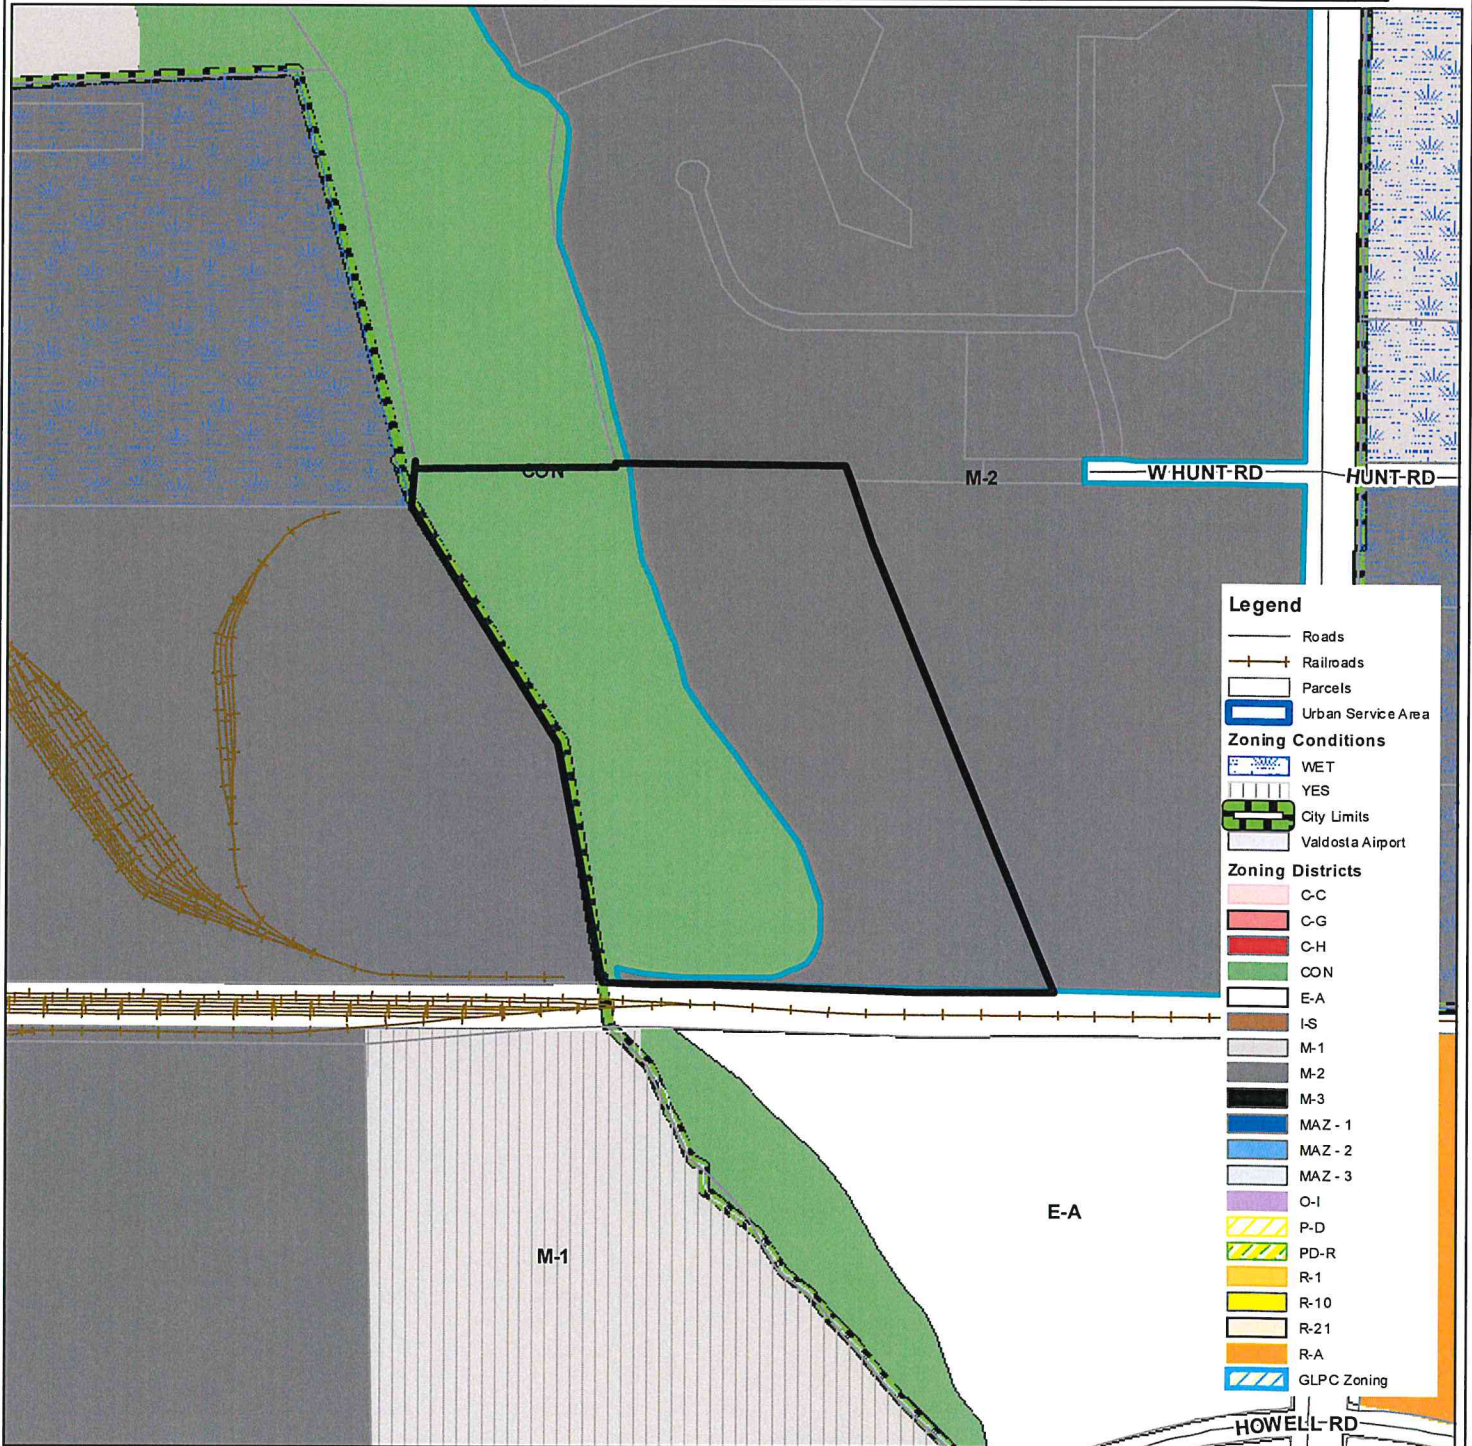

The property located on tax map parcel 0158D-004 at the end of Hunt Road is split zoned between CON and M-2. The intent of the current zoning map is for the wetland area to be in the CON zoning designation. The zoning map was based off of approximate NWI wetland maps. A wetland delineation has been performed by a professional geologist and the actual wetland limits are slightly west of the zoning line shown on the zoning maps. This application is being made to request the CON zoning line to be moved to the delineated wetland line. The attached exhibit shows the area that will be re-zoned from CON to M-2.

COUNTY ACTION REQUESTED ON: Oak Hill Drive Water Main Extension

HISTORY, FACTS AND ISSUES: Two residents on Oak Hill Drive have a well failure limiting their water supply and quality. These residents will be cost sharing in the project. This water main extension will make water available to ten lots on Oak Hill Drive. Due to the urgency of the situation, staff requested quotes from JWA and RPI to install the water main. JWA submitted a quote for \$38,300.00 and RPI submitted a quote for \$30,750.00. Staff recommends approval for RPI to extend the water main on Oak Hill Drive for \$30,750.00.

COUNTY ACTION REQUESTED ON: Stone Creek Onsite Well Pump

HISTORY, FACTS AND ISSUES: The pumping capacity of the onsite well at Stone Creek decreased significantly. After consulting with Woodrow Sapp Well Drilling the pump was pulled and inspected. Due to wear, age, and the need to increase capacity, a new pump is recommended. Woodrow Sapp submitted a quote for \$64,095.00 to replace the pump and place the well back in service. Staff recommends approval of the new Stone Creek onsite well pump and authorize Woodrow Sapp Well Drilling to supply materials, equipment, and labor for \$64,095.00.

COUNTY ACTION REQUESTED ON: Kubota M-6 141 Tractor

HISTORY, FACTS AND ISSUES: Due to increased spraying on the newly sprigged hay fields and the LAS expansion, an additional tractor is needed at the LAS. After checking state contract pricing and availability, staff determined a Kubota M6-141 was the best option. The state contract price is \$100,694.35 through Marion Ford DBA Lashley Kubota in Lithonia, Georgia. The same tractor was \$96,095.22 from our local dealer, Southern Tractor & Outdoors. Staff recommends purchasing a Kubota M6-141 from Southern Tractor & Outdoor for \$96,095.22.

COUNTY ACTION REQUESTED ON: Lowndes County DUI Court FY 24 Grant Award

HISTORY, FACTS AND ISSUES: This award is made under the Accountability Courts State of Georgia grant program. The Lowndes County DUI Court has been awarded a grant by the Criminal Justice Coordinating Council for a total of **\$143,063.00**, with a **12% match** requirement by the county in the amount of **\$19,509.00**. Lowndes County DUI Court is requesting a total of **\$42,404.00** for the 2023-2024 grant period. The grant only pays a portion of the salary and benefits of the surveillance officer's contract salary. Additionally, the grant covers only a portion of treatment costs, transportation, and drug testing supplies incurred annually. The grant does not fund Reconnect, the random call-in service for drug screens. The court requests the shortfall be paid by the DATE funds that are generated from fines and fees collected by the State Court of Lowndes County. The authorizing Georgia Law code section O.C.G.A 15-21-101(b)(3) states "Moneys collected pursuant to this article and placed in the County Drug Abuse Treatment and Education Fund" shall be expended by the governing authority of the county for which the fund is established solely and exclusively (3) if an operating under the influence court division has been established in the county under Code Section 15-1-19, for the purpose of the operating under the influence court division." The Lowndes county DUI Court began operating in January 2017.
