COUNTY ACTION REQUESTED ON: Clyattville Tower Replacement

HISTORY, FACTS AND ISSUES: During Hurricane Idalia, the Clyattville tower was destroyed. This tower provided all connectivity for the Clyattville Fire Department, to include telephony, computer network connections, and video. Attached is the quote to replace the tower with grounding and labor to restore connectivity to this location.

OPTIONS: 1. Approve

() TSPLOST

2. Board's Pleasure

RECOMMENDED ACTION: Board's Pleasure
