Cowart Electric is pleased to propose building and changing out the lift station panel at the Blue Lake location. The panel will be 60"x60"x18" with dead front panels and back plate. The panel will include all controls to run the lift station pumps using the MultiSmart provided by the customer. The exiting control transformer will be reused.

*Installation of panel at Blue Lake Lift Station included in this proposal.

*Lift Station will have to be run on a bypass pump provided by Lowndes County Utilities for duration of installation.

We propose hereby to furnish material and labor- complete in accordance with above specifications, for the sum of:

Payment to be made as follows: _____ dollars (\$ 43,615.00).

Due upon completion/Net Terms 30 Days

All material is guaranteed to be as specified. All work is to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from above specifications involving extra costs will be executed upon written change order only, and will become an extra charge over and above estimate. All agreements contingent upon strikes, accidents or delays beyond our control. Owner to carry fire, tornado and other necessary insurance. Our workers are fully covered by workers compensation insurance.

Authorized Signature *Deean Dasher*

Note: This proposal may be withdrawn by us if not accepted within 30 days.

Acceptance of Proposal— The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.
