

5.1 Material Discrepancy

For purposes of this Section 5, “Verification” means that County has reasonably determined that there is a material discrepancy between Company’s invoiced charges and County’s calculation of charges owed, which invoiced charges are subject to a bona fide dispute; provided, however, County agrees to provide the Company with written notice, including supporting documentation, illustrating the basis for such bona fide dispute, within sixty (60) days of receipt of the invoice in dispute. Should County fail to provide such documentation within the specified time period, County must pay the disputed amount. County must pay any undisputed portion of the invoice total within thirty (30) days after its receipt of the invoice. County must pay any disputed portion of the invoice total within thirty (30) days of the date the dispute is resolved, to the extent the dispute is resolved in favor of Company.

5.2 Audit

At any time within thirty-six (36) months after the date of final payment, County, at its sole expense, may audit the non-privileged cost records, support documentation and accounts of Company pertaining to this Project to solely assess the accuracy of the invoices submitted by Company and notify Company of any amount of any unallowable expenditure made in the final payment under this Agreement, or, if no unallowable expenditure is found, notify Company of that fact in writing. Any such audit will be conducted by representatives of County or, if applicable, the Georgia Department of Transportation or the Federal Highway Administration, after reasonable advance written notice to Company and during regular business hours at the offices of Company in a manner that does not unreasonably interfere with Company’s business activities and subject to Company’s reasonable security requirements. As a prerequisite to conducting such audit, County or, if applicable, the Georgia Department of Transportation or the Federal Highway Administration, will sign Company’s Nondisclosure Agreement. Company may redact from its records provided to County information that is confidential and irrelevant to the purposes of the audit. Company will reasonably cooperate in any such audit, providing access to Company records that are reasonably necessary to enable County to test the accuracy of the invoices to which the audit pertains, provided that County or, if applicable, the Georgia Department of Transportation or the Federal Highway Administration, may only review, but not copy, such records. If Company agrees with the audit results and does not pay any such bill within ninety (90) days of receipt of the bill from County (based on the mutually agreed upon audit results), County may set off the amount of such bill against the amounts owed Company on any then-current contract between Company and County. If, following the audit, the Parties are unable to resolve any dispute concerning the results of the audit through informal negotiation, the provisions of Sections 4.2 and 4.3 will govern the resolution of the dispute. County may not perform an audit pursuant to this Agreement more frequently than once per calendar year and may not conduct audits twice within any six (6) months.

Section 6 COUNTY AS PARTY

County acknowledges that this Agreement is “proprietary” in nature under applicable Georgia law, as permitted by O.C.G.A. § 36-60-13(j), and not “governmental” or “legislative,” as prohibited by O.C.G.A. § 36-30-3(a). County further represents and warrants that this Agreement will comply with all applicable laws concerning County actions and approvals and execution of binding agreements. County covenants to undertake all actions necessary to bind County.
