

Design-Builder, including the Architect and Subcontractors.

§ 7.1.7 The Owner shall purchase and maintain insurance as set forth in Article 11 and AIA Document A141-2024 Exhibit A.

§ 7.1.8 Visits to the site by the Owner shall not be construed to create an obligation on the part of the Owner to make on-site inspections to check the quality or quantity of the Work. The Owner shall not have control over, charge of, or responsibility for the construction means, methods, techniques, sequences, or procedures, or for the safety precautions and programs in connection with the Work.

§ 7.1.9 The Owner shall not be responsible for the Design-Builder's failure to perform the Work in accordance with the requirements of the Design-Build Documents. The Owner shall not have control over or charge of, and will not be responsible for, acts or omissions of the Design-Builder, Architect, Consultants, Subcontractors, or their agents or employees, or any other persons or entities performing portions of the Work.

§ 7.1.10 The Owner may reject Work that does not conform to the Design-Build Documents. The Owner may require inspection or testing of the Construction Work in accordance with Section 16.5.2, whether or not the Construction Work is fabricated, installed, or completed. However, neither this authority of the Owner nor a decision made in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of the Owner to the Design-Builder.

§ 7.1.11 The Owner shall determine the date or dates of Substantial Completion in accordance with Section 9.8 and the date of final completion in accordance with Section 9.10.

§ 7.1.12 The Owner acknowledges that accelerated or fast-track design and construction, or phased construction, provides a benefit, but also carries with it associated risks. Such risks include the Owner incurring costs for the Design-Builder to coordinate and redesign portions of the Project affected by procuring or installing elements of the Project prior to the completion of all relevant Design-Build Documents, and costs for the Design-Builder to remove and replace previously installed Construction Work. If the Owner approves accelerated or fast-track design and construction, or phased construction, the Owner agrees to include in the budget for the Work sufficient contingencies to cover such costs.

§ 7.2 Information and Services Required of the Owner

§ 7.2.1 The Owner shall furnish information or services required of the Owner by the Design-Build Documents with reasonable promptness.

§ 7.2.2 The Owner shall provide, to the extent under the Owner's control and if not required by the Design-Build Documents to be provided by the Design-Builder, the results and reports of prior tests, inspections, or investigations conducted for the Project involving structural or mechanical systems; chemical, air and water pollution; hazardous materials; or environmental and subsurface conditions and information regarding the presence of pollutants at the Project site.

§ 7.2.3 The Owner shall promptly obtain easements, zoning variances, and legal authorizations or entitlements regarding site utilization where essential to the execution of the Project.

§ 7.2.4 The Owner shall cooperate with the Design-Builder in securing building and other permits, licenses, and inspections.

§ 7.2.5 The services, information, surveys, and reports required to be provided by the Owner under this Agreement, shall be furnished at the Owner's expense. Except as otherwise specifically provided in this Agreement or elsewhere in the Design-Build Documents or to the extent the Owner advises the Design-Builder to the contrary in writing, the Design-Builder shall be entitled to rely on, and shall not be responsible for, the accuracy, completeness, and timeliness of, services, information, surveys, and reports furnished by the Owner.

§ 7.2.6 If the Owner observes or otherwise becomes aware of a fault or defect in the Work or non-conformity with the Design-Build Documents, the Owner shall give prompt notice thereof to the Design-Builder.

§ 7.2.7 Evidence of the Owner's Financial Arrangements

§ 7.2.7.1 Prior to execution of the Design-Build Amendment, the Design-Builder may request that the Owner furnish reasonable evidence that the Owner has made financial arrangements to fulfill the Owner's obligations under the
