Mr. Chad McLeod
Lowndes County Engineer
P O Box 1349
Valdosta, Ga. 31603

Re: Cypress Lakes Subdivision Phase V Section II

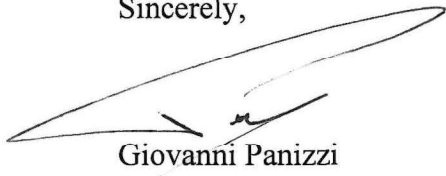

Dear Chad:

I would like to request that Lowndes County accept the streets in the above subdivision for maintenance.

It is my understanding that all other documentation has been sent to your department directly from The Scruggs Company, Stan Folsom Survey.

I would greatly appreciate your cooperation in having these streets accepted as soon as possible. Please let me know if you need further information.

Sincerely,

Giovanni Panizzi
President
