COUNTY ACTION REQUESTED ON: Bid for a Debris Hauler for Public Works

HISTORY, FACTS AND ISSUES: Lowndes County solicited bids for a Debris Hauler for the Public Works Department. A debris truck with dual trailer and grapple will be used to pick up large amounts of debris throughout the county while ensuring operational efficiency and safety. The new hauler will allow Public Works to continue other operations rather than pulling equipment off to handle debris. Funding for the hauler is included in SPLOST. Lowndes County received one bid that met specifications.
