To Whom It May Concern:

This letter is an explanation of our intent to request a variance for the billboard sign at 3996 North Valdosta Road, holding GDOT permit # C0005. The current status of said structure, according to the ULDC Section 5.04.09, is non-conforming. Budd Billboards, LLC. Is planning to remove two of the existing faces to replace with digital faces. A state application for a "Multi Message Sign" has been filled out and awaiting the approval of the Lowndes County ZBA.

Sincerely,

Erick Paulk
