## Save your mortgage...if you have suffered an employment-related hardship that has prevented you from paying your mortgage, HomeSafe Georgia may be able to help you.

The Georgia Department of Community Affairs has partnered with GHFA Affordable Housing, Inc. to deliver a statewide unemployment mortgage payment assistance program to prevent foreclosures, under the name HomeSafe Georgia.

HomeSafe Georgia will help by providing "bridge" mortgage assistance to many Georgians who are unemployed or have seen a dramatic decrease in their income due to national economic conditions.

### Who is Eligible for HomeSafe Georgia mortgage assistance?

First and foremost, the Georgia homeowner must have suffered a hardship due to unemployment or underemployment through no fault of their own. Other hardships, while unfortunate, do not qualify under this program. The homeowner must be able and willing to work, and be seeking new or better employment.

The homeowner must have been current on his or her mortgage before the event of the unemployment or underemployment, and cannot be more than six months behind on the mortgage at the time of application.

Other eligibility requirements apply. Check Eligibility Requirements for details and an eligibility checklist.

<https://www.homesafegeorgia.com/>

The applicant and property must meet all requirements.  
Additional underwriting criteria may also be established.

## YOU Can Light the Path of Hope for a Child!

Imagine you are five years old and unable to live safely at home. Strangers in court are about to decide your future. Life at home may have been bad, but the unknown is scarier.

When abused and neglected children enter the court system, they may see several different judges, attorneys and case managers who are all working hard to consider their best interests. However, there may not be any one person who will be the same person at every court hearing to speak for the child...unless that person is a CASA Volunteer.

CASA Volunteers are people just like you, who care about keeping children safe and helping them find a permanent home. They've been screened and trained to step in at this defining moment in a child's life. They attend court hearings and speak for the best interest of the child and sometimes make all the difference. Your gift of time, or your financial gift, can help make all the difference in a child's life. Help CASA bring kids home by volunteering or supporting CASA Volunteers.

You may make a donation to CASA of the Alapaha Judicial Circuit **In Honor** or **In Memory**

of your loved one at Easter and/or Mother's Day. Please contact Elaine Grice at (229)686-6576 ext. 4 or email [elaine.douglas@berrien.k12.ga.us](mailto:elaine.douglas@berrien.k12.ga.us) for more information on Light the Path of Hope for a Child.

## Georgia's Community Care Services Program (CCSP)

If someone you care for is eligible for nursing home placement but would like to stay in his or her own home, you may want to consider the benefits of the Community Care

Services Program (CCSP). CCSP is a Medicaid waiver program that serves as an alternative to nursing home placement. The program provides home and community-based services to people who are elderly and/or functionally impaired or disabled. By providing these services, CCSP helps recipients remain in their own homes, the homes of caregivers, or in other community settings as long as possible.

To explore your eligibility or the eligibility of a loved one, contact the Southern Georgia Area Agency on Aging (AAA) Gateway to Community Resources at 912-287-5888 or toll-free at 1-888-732-4464.

Its goals are to stabilize the legal relationship between the caregiver and children through adoption or custody and to maximize the financial and medical resources available to care for the children. The project has been adopted by Kilpatrick Stockton, a private Atlanta law firm, and has trained more than 220 volunteer lawyers to take cases; call 404- 524-5811.

**Who Goes to FamilyWorks?** Any individual person, married or unmarried couples, children, elderly, couples, families of all varieties, roommates, and LGBT persons—all are welcome at FamilyWorks. Family therapy, sometimes called systems therapy or relational therapy, is a particular way of thinking that helps people make the changes that they want to make. Even though the word, "family" suggests that family therapists work only with whole families, this is not the case. Family therapists work with individuals, couples, groups, and families. Family therapy has been found to be extraordinarily helpful when people find themselves stuck. Here are just a few of the dilemmas that people struggle with:

- relationship problems
- anger management
- pre-marital concerns
- domestic violence
- individual depression
- child behavior problems
- grief and loss
- divorce and separation
- communication difficulties
- parenting problems
- sexual problems

We offer our services to all people who seek them, regardless of age, gender, race, political or religious affiliation, sexual orientation, marital status, education, economic status, disability, or ethnic background.

**How Much Do We Have to Pay?** We charge for each session according to a sliding scale that is based on family size and income. When you call for the first appointment, someone will talk with you about your fee, so that you will know what it is prior to your first meeting with your therapist. The really good news: No one is ever denied services because they cannot pay. If your circumstances are such that you can't pay anything at all, let us know. Services are free to Valdosta State University students, faculty and employees.

To schedule an appointment, call (229) 219-1281 Monday through Friday between 9:00 am and 11:00 am. If you cannot call during these times, call anytime and leave a message. Let us know the best time to reach you and an intake coordinator will call you back.

**FamilyWorks - 903 North Patterson Street, Valdosta, 31698**

- Our new name and logo directly convey that we are providing access to food for people who need it- hungry Americans. In essence, "feeding" serves as a double meaning- both providing food and enriching lives.

We are now known as **Second Harvest of South Georgia, Inc.**, and we are a member of *Feeding America- The Nation's Food Bank Network*. This is a very subtle change, as we have had much success over the years with our branding in south Georgia. In the end, the wording in our organization's name is the only change that will be seen by the public. We continue to provide the same goods and services for our loyal members.

Help give each new VSU international student a friend in the Valdosta community...become a resource for the student and help the student in times of homesickness and cultural adjustment. A Community Friend also provides the student an opportunity to share his/her culture. The Friend can be an individual or an entire family. By inviting an international student to dinner, taking her to the mall, or participating in other such social activities, a Community Friend helps an international student feel welcome and helps compensate for the separation from friends and family. ## Flu vaccine

“Many people believe that if they have not gotten the flu or the flu vaccine by January, they are in the clear,” stated Debra Adams, RN, APRN, District Nursing and Clinical Director. “This is not true.

The CDC recommends certain groups getting vaccinated as soon as possible because they are at highest risk of getting the flu or spreading the flu to vulnerable populations. Those priority groups for getting the vaccine are pregnant women, caregivers for infants younger than 6 months of age, healthcare and emergency medical services personnel, persons from 6 months through 24 years of age, and persons 25 to 64 years of age who have health conditions, such as asthma and chronic congestive heart failure. Although priority groups have been highlighted, there are no restrictions on who can get the seasonal or H1N1 vaccines at this time.

For more information on NIVW or receiving your flu vaccine call your local health department, South Health District at 229-333-5290 or visit [www.flu.gov](http://www.flu.gov).

## **MAY is Foster Care Awareness Month, and we need foster and adoptive parents...”You don’t have to be perfect to be a perfect parent.”**

There are over 300 Lowndes County children in foster care. There are only 149 beds available in the county, forcing DFCS to send children to other counties while they are in care. There are nine children free for adoption who have not had resources identified for them. Foster parents must take 20 hours of certification and annual refresher courses. If you are interested in information on becoming a foster or adoptive parent, call 229-333-7056 for Rebecca Gilliland. The state also has a number to call: 877-210-KIDS (5437).
