## **Save your mortgage...if you have suffered an employment-related hardship that has prevented you from paying your mortgage, HomeSafe Georgia may be able to help you.**

The Georgia Department of Community Affairs has partnered with GHFA Affordable Housing, Inc. to deliver a statewide unemployment mortgage payment assistance program to prevent foreclosures, under the name HomeSafe Georgia.

HomeSafe Georgia will help by providing "bridge" mortgage assistance to many Georgians who are unemployed or have seen a dramatic decrease in their income due to national economic conditions.

### **Who is Eligible for HomeSafe Georgia mortgage assistance?**

First and foremost, the Georgia homeowner must have suffered a hardship due to unemployment or underemployment through no fault of their own. Other hardships, while unfortunate, do not qualify under this program. The homeowner must be able and willing to work, and be seeking new or better employment.

The homeowner must have been current on his or her mortgage before the event of the unemployment or underemployment, and cannot be more than six months behind on the mortgage at the time of application.

Other eligibility requirements apply. Check Eligibility Requirements for details and an eligibility checklist.

<https://www.homesafegeorgia.com/>

**The applicant and property must meet all requirements.  
Additional underwriting criteria may also be established.**

## **YOU Can Light the Path of Hope for a Child!**

Imagine you are five years old and unable to live safely at home. Strangers in court are about to decide your future. Life at home may have been bad, but the unknown is scarier.

When abused and neglected children enter the court system, they may see several different judges, attorneys and case managers who are all working hard to consider their best interests. However, there may not be any one person who will be the same person at every court hearing to speak for the child...unless that person is a CASA

Volunteer.

CASA Volunteers are people just like you, who care about keeping children safe and helping them find a permanent home. They've been screened and trained to step in at this defining moment in a child's life. They attend court hearings and speak for the best interest of the child and sometimes make all the difference. Your gift of time, or your financial gift, can help make all the difference in a child's life. Help CASA bring kids home by volunteering or supporting CASA Volunteers.

You may make a donation to CASA of the Alapaha Judicial Circuit **In Honor** or **In Memory** of your loved one at Easter and/or Mother's Day. Please contact Elaine Grice at (229)686-6576 ext. 4 or email [elaine.douglas@berrien.k12.ga.us](mailto:elaine.douglas@berrien.k12.ga.us) for more information on Light the Path of Hope for a Child.

- relationship problems
- anger management

- domestic violence
- individual depression
- child behavior problems
- grief and loss
- divorce and separation

We offer our services to all people who seek them, regardless of age, gender, race, political or religious affiliation, sexual orientation, marital status, education, economic status, disability, or ethnic background.

**How Much Do We Have to Pay?** We charge for each session according to a sliding scale that is based on family size and income. When you call for the first appointment, someone will talk with you about your fee, so that you will know what it is prior to your first meeting with your therapist. The really good news: No one is ever denied services because they cannot pay. If your circumstances are such that you can't pay anything at all, let us know. Services are free to Valdosta State University students, faculty and employees.

To schedule an appointment, call (229) 219-1281 Monday through Friday between 9:00 am and 11:00 am. If you cannot call during these times, call anytime and leave a message. Let us know the best time to reach you and an intake coordinator will call you back.

# United Hospice

United Hospice has been providing palliative care both in the home and in a care center setting since 1993. Services begin and end with compassion and the preservation of dignity and comfort. Resources are available to patients 7 days a week, and include certified professional consulting on pain management, wound care, pharmaceutical care, and advanced clinical nursing.

Quality of life treatments such as palliative radiation and chemo, blood transfusions, and IV Therapy are covered services. United Hospice also has an on-call policy that allows patients and family to call for a visit from an RN when conditions change—because we believe in hands-on assessment and not a slew of questions over the phone. This on-call process is just part of the proprietary *UniGuard* Program delivered to each patient as a way to prevent unnecessary re-hospitalizations.

More about United Hospice:

- Weeknight, weekend, and holiday admissions
- Centralized intake available for all referrals
- New referral response time of less than two hours
- Increased accuracy and flow of information through electronic medical records
- Language interpretation services available for all nationalities
- Bereavement support services for the patient's loved ones as well as the Skilled Nursing, Assisted Living, and Hospital staff
- A non-profit affiliate, United Hospice Foundation, which provides scholarships, hardship grants, and bereavement support initiatives to community members and staff.
- Acceptance of all hospice eligible patients regardless of ability to pay

# Do you know your PTI?

Parent to Parent is Georgia's Parent Training Information Center (PTI)

PTIs are federally funded programs through the United States Department of Education Office of Special Education Programs (OSEP) authorized in Part D of the Individuals with Disabilities Education Act (IDEA). PTIs serve families of children with disabilities who are ages birth through 26. We serve families of children with the full range of disabilities.

What do PTIs do for families? PTIs help families work with early intervention, education, and transition systems and services. We want to ensure that families receive training and information on their rights, responsibilities, and protections under IDEA so they can actively participate in planning and decision making that affects their children.

Georgia's PTI services, and all Parent to Parent of Georgia services, are provided free of charge. Just call 1800-229-2038. A coordinator is waiting to speak with you.

## Educational Opportunities for First Time Home Buyers

Valdosta-Lowndes County Habitat for Humanity, a certified Home Buyer Education Agency, has partnered with the Georgia Department of Community Affairs and the City of Valdosta to provide monthly Home Buyer Education Workshops that are FREE and open to anyone considering buying a home. This training is designed to help people explore their options as first-time home buyers and learn how to qualify to receive down payment assistance of \$5,000 up to \$7,500.

Participants will learn the advantages and disadvantages of owning a home, the necessity of having a budget in order to know how much house they can afford as well as the importance of a good credit history when applying for a mortgage loan. Information presented also includes how to work with housing professionals like realtors and bankers. Mortgage options such as the Georgia Dream Homeownership Program, Habitat for Humanity and Dream Valdosta are also presented. Pre-registration is required.

In addition to these one day workshops, Habitat offers a series of free Homeownership Skills classes that focus on developing good financial management skills, home maintenance skills and a variety of other topics important to new homeowners. These classes are open to all, and are held in a small group setting monthly for two weeks. Completion of this class series may also qualify first-time home buyers to receive a \$5000.00 down payment assistance grant from the City of Valdosta if they purchase a house in the city's Designated Revitalization Area.

To register for a Home Buyer Education Workshop or a series of Homeownership Skills Classes, please call 229-245-1330, ext 22.

- Our new name and logo directly convey that we are providing access to food for people who need it- hungry Americans. In essence, "feeding" serves as a double meaning- both providing food and enriching lives.

We are now known as **Second Harvest of South Georgia, Inc.**, and we are a member of *Feeding America- The Nation's Food Bank Network*. This is a very subtle change, as we have had much success over the years with our branding in south Georgia. In the end, the wording in our organization's name is the only change that will be seen by the public. We continue to provide the same goods and services for our loyal members.

## **Valdosta/ Lowndes Recreation, Parks and Community Affairs Department Mildred Hunter Community Center**

All participants must also complete and sign an active membership waiver form before participating in any center activity or program.

For more information contact Andre Newson @ 259-5437 or 259-5407.

### *Community Friends for International Students*

Help give each new VSU international student a friend in the Valdosta community...become a resource for the student and help the student in times of homesickness and cultural adjustment. A Community Friend also provides the student an opportunity to share his/her culture. The Friend can be an individual or an entire family. By inviting an international student to dinner, taking her to the mall, or participating in other such social activities, a Community Friend helps an international student feel welcome and helps compensate for the separation from friends and family. This is a unique opportunity to learn about another culture and make a difference in the life of an international student. For more information, contact Irina McClellan, International Student Advisor, 229-333-7410.

## Flu vaccine

“Many people believe that if they have not gotten the flu or the flu vaccine by January, they are in the clear,” stated Debra Adams, RN, APRN, District Nursing and Clinical Director. “This is not true.

The CDC recommends certain groups getting vaccinated as soon as possible because they are at highest risk of getting the flu or spreading the flu to vulnerable populations. Those priority groups for getting the vaccine are pregnant women, caregivers for infants younger than 6 months of age, healthcare and emergency medical services personnel, persons from 6 months through 24 years of age, and persons 25 to 64 years of age who have health conditions, such as asthma and chronic congestive heart failure. Although priority groups have been highlighted, there are no restrictions on who can get the seasonal or H1N1 vaccines at this time.

For more information on NIVW or receiving your flu vaccine call your local health department, South Health District at 229-333-5290 or visit [www.flu.gov](http://www.flu.gov).

## **MAY is Foster Care Awareness Month, and we need foster and adoptive parents...“You don’t have to be perfect to be a perfect parent.”**

There are over 300 Lowndes County children in foster care. There are only 149 beds available in the county, forcing DFCS to send children to other counties while they are in care. There are nine children free for adoption who have not had resources identified for them. Foster parents must take 20 hours of certification and annual refresher courses. If you are interested in information on becoming a foster or adoptive parent, call 229-333-7056 for Rebecca Gilliland. The state also has a number to call: 877-210-KIDS (5437).
