

Frank Betancourt

VICE PRESIDENT, REAL ESTATE

Frank Betancourt joined CCA as Vice President of Real Estate in September 2007. He brings considerable experience to the company, having served over 20 years in corporate real estate, construction and facility management for major U.S. and international companies. Most recently, Betancourt served as Vice President of Real Estate and Construction with ServiceMaster, a Fortune 500 company, based in Memphis, Tennessee where he created and led a full service real estate and construction department to support 32,000 employees in 1,200 locations. Additionally, Betancourt has previously served as Director of Real Estate and Construction in Houston, Texas, where he managed international portfolios and coordinated activities of all real estate and construction personnel. He earned his B.S in Architectural Engineering from the University of Texas at Austin.
